EDUCATION

2020 - 2024

MOHAMED SATHAK A.J COLLEGE OF ENGINEERING

- Electronics And Communication Engineering
- CGPA: 7.9

TECHNICAL SKILLS

- Java Script
- NodeJS
- ExpressJS
- MongoDB
- SQL/PLSQL
- HTML & CSS
- TypeScript
- Git & Github

LANGUAGES

- Tamil: Fluent
- English: Fluent

PROFILE SUMMARY

Recent graduate with hands-on experience in developing RESTful APIs and managing databases. Seeking an entry-level backend developer role where I can leverage my skills in backend programming, API integration, and problem-solving to contribute to team success and grow as a professional, while continuously learning and adapting to new technologies and industry trends.

WORK EXPERIENCE

DoodleBlue Innovations   06/2024 - PRESENT

NodeJS Developer Intern

- Assisted in developing and testing APIs for a Web Application.
- Collaborated with frontend developers to integrate backend services.
- Wrote unit and integration tests to ensure code quality and functionality.
- Assisted in the development of user authentication and authorization features for secure applications.

PROJECTS

Jira-Clone

- Developed RESTful APIs for task creation, assignment, and status updates using Node.js and Express, enabling seamless project management.
- Implemented role-based authentication and authorization, ensuring secure access for admins, project managers, and team members.
- Integrated MongoDB to store project and task data, optimizing queries for efficient data retrieval and management.

E-Commerce Backend

- Created backend services for an e-commerce application, handling product, user, and order management.
- Designed relational database schema in MySQL to store and manage data efficiently.
- Integrated third-party APIs for payment processing and shipping services.
